

Public Schools Are Into Fall Session

825 Wheat Loans Are Completed

Only About 45% of the '42 Wheat Crop Is Covered by Loans Which Are Finished

Eight hundred twenty-five Commodity Credit Corporation loans on 1942 wheat have been certified in the county office up to Wednesday of this week. These loans cover a total of 1,217,245 bushels of wheat under the Ever Normal Granary program. This represents about 45 per cent of the 1942 crop for Randall county. The balance of the crop was either sold or is being held by the growers for later sale and seed.

The average loan rate this year is about \$1.09 per bushel net to the grower. Farmers who store their own wheat are allowed seven cents per bushel additional for storage. A little over one-half of all the wheat going into the loans this year is in farm storage. The balance is in bonded warehouses.

The Government loans on wheat are meant to equal 85% of a parity price.

Parity payments on the normal production are now being made to make up a part of the balance of the current parity price to the wheat growers. Applications for the parity payments are now being signed in the county office.

It is expected that this work will be completed within the next few days with the exception of a few which cannot be completed because of delay in securing full names of applicants which are required this year for the first time.

Farm Machinery Rationing Board Is Announced

The war comes closer to Randall county farmers this week with the announcement that all heavy farm machinery is to be rationed beginning September 17. With this announcement comes word that only a very small fraction of a normal supply of machinery will be available for rationing. It looks as though farmers will be able to secure very little new machinery to replace worn out equipment for the duration. It is expected at this time that plenty of repair parts will be available. New machinery will be purchased only on certification of the rationing committee in a manner similar to that used in rationing tires.

Farmers should wait a few days before attempting to file applications to purchase farm machinery for the reason that the committee will not be able to take any action until instructions and regulations are issued. Announcement will be made in the Canyon News when sufficient information is available. The Farm Machinery Rationing Committee for Randall county is as follows: R. B. Gist, Chairman, Ross Craig and L. D. Winn, members; H. F. Ratjen and W. E. Bennett, alternates. The chairman of the committee for each county is appointed in Washington. The other members are chosen by the County USDA War Board on orders from Washington.

Guthrie Resigns As Chief Police; Cheyne Promoted

John Guthrie has resigned as Chief of Police of Canyon to accept a position with Pan-Tex. The resignation was effective yesterday.

The City Commission has promoted Jim Cheyne to this position. Cheyne's place as night watchman was not filled by the City Commission yesterday pending the investigation of several applications which had been filed for the position. Mayor W. A. Warren states that a choice will be made in a few days, and Mr. Cheyne will assume his new duties.

Guthrie has been on the police staff for several years.

Lieut. Wm. M. Penick Was Killed Sunday

Lieut. Wm. M. Penick of Sonora was killed Sunday in a training plane in Florida, according to information received by his uncle, E. C. Penick.

The young officer was 26 years old.

Mr. and Mrs. T. E. Allen and Miss Ruth Hall spent Sunday in O'Donnell. Mrs. Max Harris returned with them.

Increased Attendance in the Grades; Reduction Shown in the Canyon High School

The Canyon high school has a few less students and the grade school has a few more students than started last year's work according to Supt. J. B. Speer.

Work was organized in the schools this week with the opening of the new session. Classes started yesterday. As announced recently, the schools are not observing daylight saving time in view of the fact that country children would be forced to leave home in the winter before sunup. The morning sessions start at 10 o'clock.

Mr. Speer states that there has been a turn over of 33% in his teaching staff as compared with about 16% during the past several years.

The following is the complete high school faculty, headed by Supt. Speer:

Mrs. Jewel Tabor, Registrar and English.

Miss Grace Clark, Mathematics. Miss Mildred Cole, Social Studies, Aeronautics. Miss Cole is a new member of the faculty.

Olin Huff, Commercial, History.

Mrs. Ila Jennings, Mathematics, Spanish. Mrs. Jennings was moved from the grades to the high school this year.

Mrs. Esther E. Kleinschmidt, Librarian. Mrs. Kleinschmidt is a new member of the faculty.

Milton Sanders, Shop, Physical Education.

Miss Rhita Jean Sullivan, Home-making. Miss Sullivan is a new member of the faculty.

Miss Helen Whiteside, Science, Physical Education.

Milton Morris, Vocational Agriculture. It was impossible to secure a Vocational Agriculture teacher this year and these students will take work under Mr. Morris with the West Texas State high school students.

Miss Mary Roberts, Band, Public School Music. Miss Roberts is a new member of the faculty.

The following is the grade school faculty:

Miss Elva Fronabarger, Principal. Mrs. T. W. Collins, first grade.

Mrs. Marion Bishir, first grade.

Mrs. Stella Murrell, second grade.

Mrs. Roscoe Davis, second grade.

Mrs. Ralph Harter, third grade.

Miss Sarah Thompson, third grade. Miss Thompson is a new member of the faculty.

Mrs. L. M. Cousins, fourth grade.

Miss Florence McMurray, fourth grade. Miss McMurray is a new member of the faculty.

Mrs. Hazel Walsh, Language, Arts in the Intermediate grades.

Mrs. John Davis, Mathematics in the Intermediate grades.

Miss Ida Lou Glaze, Social Studies in the Intermediate grades.

Miss Mary Roberts, Public School Music.

County Bond Sales Are Over the Top For September

Randall county is over the top on the September quota of War Bonds, states R. H. Wright, county chairman.

The quota for September was \$20,400, and the sales yesterday amounted to \$21,990.50. The excess of sales over the quota was \$1,590.50.

Randall county is not yet up on the quota for the year due to the heavy deficit during March and June. With another week to go, Mr. Wright hopes that the deficit will be made up and the county start October with a clear slate.

Levelland Publisher Goes to the Army

Mr. and Mrs. Forrest Weimhold of the Hockley County Herald, Levelland, visited at the News office Saturday afternoon. Mr. Weimhold is now a private in the army, having been accepted last week. He will start his training at Fort Sill Friday.

Mr. Weimhold has a string of weekly newspapers on the South Plains. Mrs. Weimhold will look after the business while he is away.

Lieut. Warren Given Promotion Air Corps

Lieut. Meredith Warren has been promoted from Second to First Lieutenant. He is in California doing sea patrol duty.

Lieut. Warren is the son of Mayor and Mrs. W. A. Warren and has been in the Air Corps for more than two years.

G. G. Foster and R. E. Foster went to Sundown Sunday. They were accompanied home by Mrs. Franklin Weir, daughter of Mr. and Mrs. R. E. Foster.

Oct. 1st Dead Line on License

All Automobile Drivers in Randall County Should Renew Applications Now

Randall county car drivers have only a few more days in which to make application for the renewal of their drivers license. All drivers license which have not been renewed will expire on November 1.

Applications from this county should all be filed by October 1st in order to be assured that the renewals will be received by the first of November. It takes a minimum of 20 days in which to secure a renewal.

Those who have had drivers license in the past do not have to stand examination in order to secure renewals.

All that is necessary is to secure application blanks for renewal at one of the drug stores or from the highway patrolman who will be at the court house on Fridays and on Monday mornings; fill out the application blanks carefully; and mail in the envelope which is provided, together with 50 cents for each application.

This should be done at once in order to make sure that every car driver will receive the renewal before the first of November. The cost of 50 cents provides for a renewal which is good for two years.

Tax Rolls Are Ready October 1st Collection

Tax Collector M. E. Cantrell will be ready to receive County and State taxes for 1942 starting on October 1.

The rolls have been approved, and notices mailed to each property owner giving the amount of his taxes.

The state and county allows a discount of 3% on taxes paid during October; 2% if the taxes are paid during November; 1% if paid during December. There will be no discount on taxes paid during January, and all 1942 taxes will become delinquent after January, 1943.

Courthouse Has Adopted the New Time Schedule

Randall county officials started to observe the new time schedule as adopted by the schools Tuesday morning. Offices will open at 9 o'clock; 1 until 2 o'clock will be luncheon period; close at 6 o'clock. This makes the offices run in conformity with the schools of Canyon.

Most of the business houses are still opening at 8 in the morning, but a general change of time will likely be made in the near future in order to conform with school time.

Miss Juanita McKee is working at the Canyon Tailoring Co.

Rev. A. M. Dorsett Called to Houston

Has Been Pastor of Local Presbyterian Church During the Past Five Years

Rev. Alfred M. Dorsett has received a call from the Houston Heights Presbyterian Church of Houston to become pastor of that church starting October 15. Rev. Dorsett met with officers of the church last night and requested them to call a congregational meeting for the purpose of receiving his resignation as pastor of the Presbyterian Church in Canyon. The congregation will probably meet after morning worship next Sunday to act on the request for dissolving the pastoral relationship, which will then be submitted to the Presbytery of Amarillo of which Rev. Dorsett is a member.

Rev. Dorsett has been pastor of the local church for almost five years. He came here from Dallas on Nov. 1, 1937, where he served as assistant pastor of the City Temple Presbyterian Church.

During his pastorate the local church has made a very fine record. The debt of the church was paid off; the manse rebuilt this year; and the membership increased from 187 to 246.

"This pastorate is one of the most satisfactory that I could desire," stated Rev. Dorsett. "There are unlimited opportunities for work among the young people, and it was a very hard decision for Mrs. Dorsett and me to make when it came to accepting the Houston call." stated Mr. Dorsett. "We have served here for five years of the seven since I was ordained as a minister

W. T. Opens 33rd Year

Early Mail Date For Foreign Land

Christmas Packages and Cards Should Be Forwarded By November 1, Is Urged

November 1 has been set as the deadline for mailing Christmas parcels to armed forces overseas. The War, Navy and Post Office departments ask the public to see that volume does not exceed that of an ordinary shoebox and weight does not exceed six pounds. Do not send food and do not send clothing unless specifically requested. . . . So it's time to begin now to plan your Christmas shopping. . . . America engaged in a global war and only 42 shopping days before Christmas!

What would you send a man in the overseas service for Christmas? One thing we'd put in a box would be some chewing gum, a half dozen packages or so. We'd put in a small cake of sweet scented soap, a stick of shaving soap, a tube of his favorite toothpaste, a good, heavy pocketknife, six packages of assorted Lifesaver mints, playing cards, an appropriate quantity of his favorite cigarettes.

Oh yes, he'd appreciate more than anything else a picture of Mother, Dad, Sister, Brother, Son, Daughter, Wife, Sweetheart. He'd be better served with a small picture that he can slip in his billfold, unless he's doing straight garrison duty, when a large one would be appropriate. And maybe he hasn't a billfold. He'd feel mighty good if you'd send him in a letter the receipt for a War Bond in his name. . . . A fountain pen or good pencil would be useful.

District Court to Open Term on Next Monday

The fall session of District Court will open next Monday.

Judge E. C. Nelson will preside for the last time in Randall County as District Judge, and District Attorney Robert E. Underwood will perform his last services in this office. On the first of January Henry S. Bishop will become District Judge and James Lumpkin will become District Attorney.

The grand jury will start its investigation next Monday. Several criminal cases are pending for action by the grand jury.

There will be no petit jurors for the first week of court, but names have been drawn for petit jurors for the second and third weeks of the term.

Miss Margaret Stewart and Mrs. Rosa Lee Hanky of Follett spent the week end with D. Mac Stewart and Dannie.

101,758 Lbs. Scrap Delivered 52 Farmers

20 Tons Are Collected from Other Sources; Much Scrap Will Yet Be Battered

Farmers in Randall county are doing their part in supplying scrap iron for the steel mills.

Fifty-two farmers who have sold scrap to the Consumers' Fuel Association depot in Canyon have delivered 101,758 pounds of scrap iron, steel and cast in the past thirty days. This is almost one ton per farm. This in spite of the fact that they are in the middle of the busiest season of the year, except for the period of wheat harvest. In fact many farmers claim the labor shortage is more acute now than in wheat harvest. If the balance of the county has done as well as the farmers who have hauled scrap to the Canyon station there has been sold over 600 tons of scrap metal from farms and ranches in Randall county in the past thirty days. It is estimated that about 700 tons were collected in the farm scrap drive last spring.

In addition to the fifty-two farmers who sold to the Consumers station in Canyon there has been over 20 tons collected at this station from other sources, such as, what the Boy Scouts have gathered and what has been sold by the College and various individuals who live in town.

The County Salvage Committee is very anxious that the work continue as long as there is "junk to scrap" or a "Jap to slap."

The County Agricultural War Board and the farmers Victory Council have sponsored both the past and present drives and have pledged their continued cooperation to keep the scrap metal moving. A lot of scrap is yet to be gathered both on farms and in town. The scrap iron should be cleaned up around town, as well as on every farm.

The figures for the scrap iron bought at the Consumers' Station do not represent anywhere near all of that collected in Canyon. The regular dealers have bought a lot of it and are doing a fine job in assisting the committee. This has been done many times with no profit to the dealer.

Tire Certificates Invalid If Not Used in 30 Days

W. J. Wooten, chairman of the War Price and Rationing Board, has warned that holders of tire and tube certificates must use these certificates before the 30-day period expires, or the certificate becomes invalid.

In case a certificate is not used, the quota of the county is reduced for the subsequent month. The holder thereby loses the privilege of buying for himself and for the subsequent month beats some other citizen out of the right to buy a casing or tube. Furthermore, boards are advised not to allow another certificate to the person who failed to use the one he has secured.

10,000 Copies of American Talk by Hill Distributed

The Plainview Evening Herald has printed and is distributing 10,000 copies of the address by Dr. J. A. Hill, "And This Is America."

Dr. Hill first made the address at the Northwest Texas Conference for Education. Since then he has been called upon to repeat the talk before several civic clubs.

When he talked at Plainview before the Kiwanis Club, Herbert S. Hilburn, editor of the Herald, started a movement to print and distribute the copies as a patriotic service to people of this section.

Copies were sent this week to all members of the Panhandle Press Association together with the quarterly Panhandle Publisher.

Mr. and Mrs. Walter Sanford of Billings, Montana are the parents of a baby girl, Janie Sue, born Sept. 18. Mrs. Sanford is the former Lee Christine Cousins.

Help Keep Canyon Clean!

Congress Makes No Appropriation Canyon Airport

Canyon will not be able to secure aid on a municipal airport from federal funds at the present time, according to a letter received Friday from Congressman Eugene Worley.

In 1940 Canyon was among several hundred towns in the United States suggested by CAA as suitable for future airport development. It was indicated that the program would cost as much as \$700,000.00. Congress reduced the appropriation to \$400,000.00 and directed that the money be spent only on airports which were found by the Army and Navy to be immediately necessary for the war work.

Mr. Worley expressed great interest in the training program for College students and will urge the War Department to recommend the airport here for improvement.

So far no other developments have taken place regarding the improvement of the local airport. An application is pending to make this a designated field, but it may be several weeks before action is possible.

Churches Will Continue Observe Present Time

At a meeting of the pastors of the Methodist, Presbyterian, Baptist and Christian Churches, held this week, a decision was reached that no change in time would be made in the time for the services of worship in the churches. The time schedule will be Sunday School, 9-4 a. m.; morning worship, 11:00 a. m.

The hours for the evening services will vary slightly. The Baptist Training Union will meet at 7:15 p. m.; Christian Endeavor in the Presbyterian Church and the Disciples Club of the Christian Church will meet at 7:30 p. m. and the Wesley League for Methodist students at 7:45 p. m.

All of the evening services will start at 8:30 p. m. with the exception of the Baptist Church which will begin its evening services at 8:25 p. m.

This decision has been reached for a number of reasons. First, it will not in any way conflict with any existing program of time; secondly, it provides for a longer Sunday afternoon, which to most people is very desirable; thirdly, it meets with the wide approval of the people of the community and in the churches. It is believed that this will be the most popular procedure and will provide the maximum opportunity for people to worship at times which are most convenient.

Dahlia Beds at College Attract Much Attention

Gorgeously colorful dahlias, ranging in size from half an inch to fourteen inches across, are blooming in the trial grounds of the Southwest Dahlia Society.

The garden is located on the West Texas State College campus just east of the Panhandle-Plains museum. Many visitors stop on their way to Palo Duro State Park to inspect the dahlias.

Also blooming are large beds of snapdragons, asters, and other flowers.

Light Frost Did No Harm Sunday; More Rains Fall

Those who keep up with the weather may record that a light frost was observed in Canyon Sunday morning. Little or no damage was done by the frost.

The temperature dropped Saturday following the rain of 45 of an inch Friday night.

A shower of .08 of an inch fell yesterday afternoon.

Wheat planting is progressing nicely in all sections of the county. All of the early planted wheat is up and the fields are looking wonderful.

Mr. and Mrs. Art M. Roberts of Wichita, Kansas were recent visitors in the parental E. C. Penick home.

Attendance Runs About Normal

Amarillo Center Is Drawing Large Response; Freshmen Here in Large Numbers

The 33rd annual session of West Texas State College opened Tuesday. Enrollment was in progress all day yesterday with indications that the attendance might be normal this year in spite of the war. Of necessity there will be fewer men enrolled this year than usual as the various branches of the armed services are taking young men as they become 20 years of age.

The policy of the College was outlined Monday morning to the faculty at a breakfast held at Cousins Hall. The College inaugurates a new system this year after a study of several years with the view of giving greater service to the students.

The Amarillo Center at the Early Building is attracting wide attention. The first assembly Monday night was attended by a large crowd of students. Classes in many college subjects are being held.

President J. A. Hill expressed great satisfaction yesterday with the prospects for a very successful year's work.

Large Number Men Enter the Armed Service

The following men reported at Lubbock Tuesday for their physical examination for the army:

John Luther Bewley, John Blix Hand, Clarence Dale Black, Thomas Loys Knox, Caffrey Cloys Knox, Henry Skypala, Frank Milton Ham, Paul Franklin Black.

Rayford Turner Louder, Earl Lee Sanders, John Louis Wiek, Marvin Leroy Shero, Leonard Carl Bauer, Merle Isiah Jenkins, Milton Wayne Turley, Thomas Ralph Rogers, Mano Ignio Hernandez, August Vanhart Skypala, Ernest Earlwin Phillips, William Cass Harter, Earl Killough.

Volunteers who were counted in this call were: Charley Upfold, William Hubert Childers, Wayne Daws Muncy, Curtis Leo Fox, James Henry Burch, Charles Carlton Sutton, Herman Elzo Hugg, Melvin Kenneth Leavitt, Floyd Dunning Jennings.

Other volunteers this week were: E. W. Woods, navy; Marshall Rockwell, Jr., navy.

Utility Changes Are Made; Name Only Affected

According to the deed records, an extensive transfer in utilities holdings has been made. The Texas-New Mexico Utilities Co. has been taken over by the Southwestern Public Service Co.

Other properties in the Southwest are affected by the change which has become effective.

No changes are being made in the personnel of the companies, according to Gordon Lyons, local manager of the company here.

HAS FELLOWSHIP

Miss Mary Catherine Sharp, daughter of Mr. and Mrs. J. R. Sharp, has been awarded a graduate fellowship at Ohio State. She will work on her masters degree and teach economics. Miss Sharp had a teaching fellowship at Park College last year where she taught elementary economics.

Miss Sharp attended W. T. and Park College. She has been visiting here the past week.

TO BE INSTRUCTOR

Sherman Higdon, son of Mr. and Mrs. C. A. Higdon, was one of four hundred selected out of four thousand men to be trained as instructors in primary flight at Randolph Field.

His average in pre-flight training was 96. He started training two weeks ago.

HAS EXCELLENT RECORD

Barry McCarter left Saturday for Texas University where he will be a senior this year. For the past year and this summer he has made 12 A's and 2 B's.

Before entering the University Barry took two years of his work here with about the same average as he has made at the University.

Mrs. Lucius Penick and Gerald Lee, accompanied by her mother, Mrs. Garrett and sister Beulah of Phillips, spent the week-end in the E. C. Penick home. Mr. and Mrs. Leon Penick, Mr. and Mrs. C. M. Ford, Van and Byron of Amarillo visited Sunday with them.

RALPH H. D. CLUB TO MEET

WITH MRS. CREWS HENRY
The Ralph Home Demonstration Club will hold its Home Management Achievement program at three o'clock Wednesday, Sept. 30 in the home of Mrs. Crews Henry.

The following program will be given:
Book Review, "A Lantern in Her Hand" by Aldrich, Mrs. Henry.
"Storage Space for My Husband," Mrs. Stacy Howell.

"Why have a business center in the home, and why should farmers keep records," Mrs. Carl Schroeder.
"My yard and what it means to my family," Mrs. Lonnie Byars.

"The effect of clothes and grooming on character development in family members,"—Mrs. S. L. Johnson.

All who are interested in home demonstration work are cordially invited to attend this program.

Mr. and Mrs. E. R. Hawkins of Earth spent Sunday with Mrs. Laveta Hawkins. Her son, Dennis, stayed with her to enter school. He has been spending the summer with his grandparents.

MRS. THOMAS B. McCARTER

HOSTESS TO 1930 CLUB

Mrs. Thomas B. McCarter was hostess to the 1930 Bridge Club at her home 1819 Fifth Avenue. Fall flowers decorated the rooms and the tables.

Guests were served a California fruit plate with spiced tea and wafers on the newly hand carved wooden plates that Mrs. McCarter had made. The design on the plates is of cherries.

Those seated were Miss Helen Hickman, Miss Edna Graham and Mrs. Geo. Parlow, guests; Mrs. C. R. Burrow, Mrs. W. R. Clark, Mrs. J. S. Humphreys, Mrs. S. L. Ingham, Mrs. C. H. Jarrett, Mrs. R. P. Jarrett, Mrs. F. E. Savage, Mrs. D. A. Shirley, and Mrs. Clyde Warwick.

Mrs. Mary Pentress of Richmond, Va., arrived Monday evening with her niece who will be in school here. Mrs. Pentress will visit here and Tulsa where she lived for some time.

Mr. and Mrs. P. J. Files of Spearman visited Mr. and Mrs. Don Smith Sunday.

THE WOMEN'S BOOK CLUB HAS

FIRST MEETING OF YEAR

The Women's Book Club had its first meeting of the fiscal year Wednesday in the Thompson Club Room. Miss Darthula Walker presented the yearbooks and told of the programs for each month.

"Time" magazine has presented the club with materials on world events to be used at each program.

Mrs. T. V. Reeves opened the program with "What War has Done to Your Town." Miss Irene Angel spoke on "Production Industry Against the Draft." A round table discussion followed each of these.

Present were Mrs. Spencer Whippo, Mrs. Gus Miller, Mrs. Seth Fessenden, Mrs. W. F. Haggard and Mrs. Grayson Bell, guests; Mrs. C. C. Armstrong, Mrs. Alfred Bellah, Mrs. H. A. Brown, Mrs. C. R. Burrow, Mrs. Ray Campbell, Mrs. S. H. Condron, Mrs. Harris M. Cook, Mrs. Lee Foster, Mrs. S. L. Ingham.

Mrs. Lee Johnson, Mrs. A. K. Knott, Mrs. Tom Knighton, Mrs. T. B. McCarter, Mrs. Clyde McElroy, Mrs. C. A. Murray, Mrs. R. A. Neblett, Mrs. Reeves, Mrs. Fred Standley, Mrs. A. W. Sternberg, Mrs. C. N. Wylie, Miss Walker and Miss Angel.

PRESBYTERIAN AUXILIARY

HELD MEETING TUESDAY

After discontinuing meetings for the summer the Ladies Auxiliary of the First Presbyterian Church assembled at the home of Mrs. M. A. Biggers on last Tuesday with renewed interest and enthusiasm for a more worthwhile year's work.

Mrs. Harrell substituted on the program on the general topic, "Women Chosen of God." She gave an interesting discourse on Mary of Bethany. Mrs. Biggers led a Bible Quiz.

The needs of different Mission Institutes were listed and annual donations taken care of by the Auxiliary.

Mrs. Harrell remembered names of missionaries who are serving in different parts of the world in this time of strife and turmoil, and upon them Mrs. Burrow invoked Divine blessings.

After making plans and arranging for the immediate forthcoming social functions of the church the meeting was closed to enjoy a social hour and refreshments served by the hostess.

ROSE WALKER CIRCLE MET

WITH MRS. E. B. ANTHONY

The Rose Walker Circle met with Mrs. E. B. Anthony Tuesday afternoon. Singing was followed with a prayer by Mrs. J. C. Dowd. Mrs. Jessie Reid led the Bible review.

The second Chapter of Joel was read for the devotional. Prayer was given by Mrs. Reid in remembrance of our soldier boys.

Ice cold watermelon was served to Mrs. M. E. Sargee, Mrs. Dowd, Mrs. Reid, Mrs. I. M. Steen, Mrs. Chas. H. Stratton, Mrs. J. T. Burdett, Mrs. T. T. Paine, Mrs. Josie Atkins, and Mrs. Anthony.

WOMEN'S COUNCIL OF FIRST

CHRISTIAN CHURCH MEET

The Women's council of the First Christian Church met in the home of Mrs. W. A. Warren Tuesday afternoon. Election of officers for the ensuing year was held as follows: President, Mrs. W. A. Miller; vice-president, Mrs. P. V. Winstead; treasurer, Miss Fannie Malone; secretary, Mrs. S. P. Whippo.

Delicious refreshments of spiced tea, sandwiches and cookies were served to Mrs. Miller, Mrs. Winstead, Mrs. J. M. Winstead, Mrs. Gene Root and Nancy, Mrs. Whippo, Miss Malone and Rev. Joe Findley.

LAS SENORAS CLUB MET

WITH MRS. NEWTON CRAIN

Mrs. Newton CRAIN was hostess to the Las Senoras Club at the home of Mrs. R. P. Jarrett, Jr. Lovely fall flowers decorated the room.

Mrs. Archie MacAlpin was high score winner, and Mrs. Mitchell Jones was low score winner.

Coffee and cookies were served to Mrs. MacAlpin, Mrs. R. P. Jarrett, Sr., Mrs. Al Williams, Mrs. Joe Black, guests; Mrs. Owen Williams, Mrs. Delbert Lowes, Mrs. M. E. Cantrell, Mrs. Jones, Mrs. Hud Prichard and Mrs. R. P. Jarrett, Jr.

CHURCH WOMEN WILL MEET

AT CHRISTIAN CHURCH

The Council of Church Women will meet Tuesday, Sept. 28 at the First Christian Church. Mrs. Lorenzo Wirt will give the devotional. Mrs. Nancy McCaslin will speak on "Personal Faith and Experience."

Election of officers will be held at this meeting. All members are urged to be present.

MOTHER-IN-LAW CLUB WILL

MEET WITH MRS. McCREERY

The Mother-in-Law club will meet with Mrs. J. W. McCrerey Thursday, Oct. 1. An all covered dish luncheon will be served. Afterwards the group will quilt. Every member is urged to attend.

Mrs. A. D. Parker returned to San Antonio Friday after visiting for several days with relatives. Mr. Parker is technician in radio work for the army.

L. B. Penick has finished his work at Norfolk, and he and Mrs. Penick are now in Greenwich, R. I., according to his parents, Mr. and Mrs. E. C. Penick.

Highland News

The Nesselroad home was destroyed by fire last Wednesday afternoon. Mr. and Mrs. Nesselroad had left Tuesday morning for West Virginia and had left their place in the care of a hired man.

Mrs. Elmer Mason and Mrs. Ed Sharp shopped and visited in Amarillo Monday.

Mrs. Joe Alfred called on Mrs. McVae Monday afternoon.

Mr. and Mrs. Carl Fuqua called at the Tom Boling home Sunday evening. Mr. Boling's condition does not seem to improve.

George Cook left Monday night for Dallas.

Mr. and Mrs. McClain are still visiting at the Cook home.

Mr. and Mrs. Carl Fuqua and Harry visited at the Kellogg home in Amarillo last Saturday.

A light frost was noticed in some of the low places Sunday morning.

Mr. and Mrs. Tom Watson visited at the Fuqua home Monday evening.

Pleasantview

Mr. and Mrs. Leslie Waters and family and Miss Dewey Gibson from Mobette and Mr. and Mrs. Harold Wall and baby, Harold Lohn, spent Sunday in the Roy Wall home.

Mrs. Howard Cole and little son, James Wiley, from New Orleans, La., are visiting with her mother, Mrs. George Loudder.

Miss Viola Dooley, who is teaching at Borger spent the week-end in the parental Milton Dooley home.

Mr. and Mrs. Alden Brown and baby, Joyce Ann, of Las Cruces, N. M. visited in the parental F. M. Brown home last week. Mrs. Brown returned home with them to make an extended visit.

Billy Jo and Johnnie France Wallen visited Thursday with Iris and Ava Dooley.

Mr. and Mrs. Jim Bible and family visited in the Earl Burtz home Saturday morning.

Rev. A. B. Haynes

Goes to Littlefield

Rev. A. B. Haynes has been called as pastor of the Presbyterian Church at Littlefield and will assume his new place on Nov. 1.

Rev. Haynes is well known in Canyon, having served for several years as pastor of the local Presbyterian Church. His son, A. B. Haynes, Jr., operates his father's farm south of Canyon.

Rev. Haynes has been pastor of the Woodland Heights Presbyterian Church in Houston for 15 years.

Mrs. O. B. Vaughan, accompanied by her two granddaughters, Wanda Marie and Linda Pay Burger, left for Washington, D. C. Wednesday to visit her daughter, Mrs. C. M. Burger. The children have been visiting here this summer. They were joined in Elk City, Okla. by Mrs. Vaughan's mother, Mrs. W. H. Goodrum.

Fred Hart is located at Lowry Field, Colorado, according to a letter to his mother, Mrs. Silas Hart. He is an aviation cadet, studying aviation photography. He is the youngest man in his class and has plenty of hard work, according to the letter.

Mr. and Mrs. Hosea Foster spent Sunday with Mrs. E. H. Holman in Hereford.

Miss Madeline Barnes, a graduate of T. S. C. W., has been employed to teach sciences in the Demonstration School. She formerly taught at Sour Lake. She was graduated at Rogers, Ark., where she was active in high school journalism, debating and dramatics.

District Governor of Rotary Makes Visit to Club

District Governor Chas. Paxton of Sweetwater paid his official visit to the Canyon Rotary Club Tuesday night and yesterday. A club assembly was conducted Tuesday night and yesterday he spoke at the weekly luncheon, which had been postponed from Tuesday.

Governor Paxton stated that this was the 18th club of the 57 in the district which he had visited. He highly praised the work he found here. He was amazed at the plant of West Texas State College, which he visited yesterday morning in company with President J. A. Hill. The athletic plant and the museum were very impressive to the Governor.

The Governor pointed to three objectives which should be adopted by Rotary Clubs, as well as all other civic clubs.

1. Keep the clubs together during the war. There has never been a time when civic clubs were needed so badly as they are now. The morale of every community depends upon the morale of the business and professional leaders.

2. Help win the war. Many people believe the war will continue for at least five years, and those who think our enemies will fold up quickly are only kidding themselves, stated the Governor.

Collection of scrap is the most urgent need of the nation. It is appalling to see the amount of scrap metal and rubber which has not been delivered to the reception center of every county.

Every citizen should put all of his surplus cash in War Bonds. This is the safest investment on earth, and buying bonds now will keep down income tax payments in the future.

The Governor paid his respects to those who criticized England in her struggle to keep civilization alive in every part of the world. The English are putting up a heroic fight. The Rotary Club of Coventry, the most bombed spot in the world, has missed only two meetings during the war. Rotary is growing in England, both in membership and the number of clubs, because of the indomitable will of the English people. The Rotary Club of Manila met in the jungles after the fall of that city.

3. Every Rotarian should be interested in boys' work. The Boy Scouts are taking many boys from the alleys and slums and making good citizens of them.

Every boy should be given a part in the war program. They will help bring in scrap iron, rubber, and sell bonds if given a chance.

Visitors were three members of the Lions Club: Mitchell Jones, president; Ed Williams, secretary; Tom Langston, pianist.

Mr. and Mrs. J. D. Prichard and Jan Carol arrived Tuesday to visit Mr. and Mrs. Ed Phillips. Mr. Prichard is a nephew of Mrs. Phillips.

Why Do People Not Vote Asked By State Senator

Congress has nearly completed work on a bill to allow men in the armed service to vote without payment of a poll tax. All Texas representatives have voted against the bill. Senator Connally led the fight in the Senate in opposition to the

bill as an invasion of state's rights. Various proposals have been made in Texas to abolish the poll tax receipt as a prerequisite for voting. Senator Grady Hazlewood is interested in finding out why Texans do not vote so as to know the facts when the legislature meets in January. He is making a poll of the district to find out whether people do not pay their poll tax because they cannot afford it, or is the small vote caused by people with poll tax receipts taking no interest in the elections.

Aggie Classes to Admit Coeds as Wartime Measure

Agriculture is no longer a college subject limited to sons of the soil. West Texas State's coeds are being invited to enroll for three courses which would prepare them to replace men in managing farms and growing foodstuffs. Prof. Frank R. Phillips will admit girls to classes in poultry management and livestock management. Prof. Spencer Whippo will welcome them to his class in crop production. A number of girls who indicated their interest said they expected to have to do some of the work formerly done by brothers, now in military service. They wish to prepare for this emergency, which will arrive with the next sowing and harvesting seasons.

PRESBYTERIAN CHURCH

Rally Day will be observed throughout the entire day in the Presbyterian church on next Sunday morning, beginning with Sunday School at 9:45 o'clock, when a Rally Day program in all departments of the church work will be observed. Student attendance at the morning worship service is being emphasized and the theme for the service will be "Knowledge is Not Enough." The first evening service, following the conclusion of the Community Evening Worship Services will be held next Sunday evening at 8:30 o'clock with the worship theme, "From a Sawdust Trail to a Satisfying Saviour." The College young people have again adopted the choir for the evening as one of their service projects and will be in the choir next Sunday evening. Special instrumental music will be given. The Young People's meetings at 7:30 o'clock will feature a new start. The high school young people will go to the manse after the service for a Fellowship Hour. On next Wednesday evening the ladies of the church will be hostesses for all of the Presbyterian young people in college for a welcome dinner.

Mrs. E. C. Penick and Sue are making their home with Mr. and Mrs. E. C. Penick, Sr., while she attends West Texas State College where she is a senior. Her husband is at Camp Crowder, Mo.

Mr. and Mrs. Charlie Fain of Amarillo spent the week end with Mr. and Mrs. T. W. Henderson.

Ray Robbins of Pampa spent the week end with his mother, Mrs. Earl Robbins.

Randall Higgins of Garden City, Kansas, is visiting in Canyon this week.

"Yes," said the conceited young bachelor, "I have the greatest admiration for women. But I wouldn't marry one of them—not me!" "I see," said the sweet young thing, "you not only admire women, but you have a sincere regard for their welfare."

Happiness like any other emotional state, has blindness and insensibility to opposing facts given it as its instinctive weapon for self-protection against disturbance.—William James.

Rain is good for the vegetables, and for the animals that eat those vegetables, and for the animals who eat those animals.—Samuel Johnson.

"How to you account for the sugar shortage in this war?" "I dunno. There are as many fellows raising Cain as ever."

"How did you like those Chinese backscratchers I gave you?" "Is that what they are? My wife's been making me eat salad with them."

Lumberjills

New traditions are being established in the lumber mills of Oregon and Washington by 4000 women workers. These women are tackling jobs once considered man-killing. Enid Conradi, one of the lumberjills, is working at the Weyerhaeuser mill at Longview, Wash.

Men Going Into Service Warned About Conduct

Young men who are going into military service should watch their step. A list of twenty-one things to do and not to do has been issued by an experienced army man who has seen men make mistakes when they join the armed forces. Here is his advice:

1. Observe everything within your notice.
2. Learn what your duties are and do them cheerfully and efficiently.
3. Be alert and on time.
4. Obey orders, but be sure you understand them; if not, ask questions.
5. Put all your energy and drive behind everything you do.
6. Keep yourself and your equipment neat and clean.
7. Indulge in clean recreation off duty.
8. Pick duty before pleasure.
9. Pick with great care your associates off duty, and avoid those who may try to influence you to indulge in things you know might injure you.
10. Mind your own business, and don't become a part of grape-vines spreading rumors among your fellow-soldiers. If you want information or need advice, go to your commanding officer.
11. When things go wrong, take it on the chin like a man. Don't be a cry-baby, but if you have a just complaint, for the good of the service, make it to your commanding officer.
12. Don't try to "bull" to get by—it will always catch up with you, and always remember that no man ever had a good enough memory to become a successful liar.
13. Don't be a boot-licker.
14. Don't try to gain recognition by hanging around headquarters.
15. Cultivate the respect of your fellow-soldiers, and you will win the respect of your superiors and promotion.
16. Attend religious service.
17. Don't forget the folks at home are waiting for a letter from you regularly.
18. Don't borrow or lend money—it makes enemies.
19. Save some of your pay.
20. Remember this always—that your sense of right and wrong is your greatest leader. Do all those things that you know are the right things to do, and don't do any of those things that you know are the wrong things to do.
21. Resolve to leave the service a bigger and better man morally and physically—a credit to your family and your country.

R. T. McDaniel entered the Pantex training school Monday morning. After training a week, he will be an operator in the plant.

Mrs. J. H. Braswell of Lema, Arkansas arrived Wednesday to visit friends in Canyon. She lived here several years ago.

Miss Mary Catherine Sharp left this morning for Ohio State where she will teach and work on her master's thesis.

John Thomas Sharp returned from Antioch College, Ind., Friday to visit his parents, Mr. and Mrs. J. R. Sharp.

Broughton Harden returned Sunday from Apco, Ohio, where he has been training as an operator for Pantex.

Pvt. E. I. Boyce, Jr., spent Monday and Tuesday with his parents, Mr. and Mrs. E. I. Boyce. He is stationed at Ft. Sill.

Mr. and Mrs. Shorty McCormick and family of Wichita Falls spent the week-end here in the Chas. Donnell home.

Mrs. Joe Thompson returned Sunday from a week's visit with her mother and sister at Tulla and Springlake.

Mrs. D. M. Forsythe, Juanita, Ruth and Geneva of Amarillo spent Sunday with Mr. and Mrs. Ed Williams.

Miss Mozelle Thompson of Plainview visited Misses Charlene and Charlotte Beth Henderson over the week end.

Miss Hazel Cooper left Saturday for Selma, Calif., where she will resume her school duties.

Sgt. and Mrs. Bill Patke of Brownwood spent the week end with Mr. and Mrs. E. I. Boyce.

Mr. and Mrs. Travis Shaw have returned from Colorado where they spent the summer.

Bob Baird of Albuquerque, N. M. visited in Canyon Monday. He is stationed at the glider school.

Bowen Cox of Sheppard Field spent the week end with his parents, Mr. and Mrs. G. R. Cox.

Mrs. Ross Gill of Miami, Texas is visiting her sister, Mrs. W. H. McKee.

First Game at Tech Saturday

West Texans Are Green At Positions But Will Try for an Upset

For the first time in more than a decade: TEXAS TECH!

Mutual membership in the Border Conference has brought these natural rivals together in football. The game will be played in Lubbock next Saturday night at 8 o'clock. Tickets for students and faculty members, priced at 90 cents including taxes, will be placed on sale here at the business office Friday. Outsiders may obtain tickets at this office or at Jarrett Drug for \$1.65, including taxes.

Because of transportation difficulties it will not be possible to take a special train. Busses also likely will not be obtainable. It is believed that many private cars will be taken, however.

Injuries Numerous

The Buffaloes face their most difficult foe under conditions which will make the going hard. New coaches, new plays, some changes in the system—these are the least of the worries on Buffalo Field. Graduation took Ben Collins, Larry Sanders, and Fairy Hill from the lineup, leaving Mack Winter. And Winter is out with a knee injury.

Coaches W. A. (Gus) Miller and W. E. (Windy) Nicklaus have robbed the line to build a new backfield. The result is a better balanced club but one which desperately needs time to find itself, both offensively and defensively.

The line which will start Saturday looks like this: Left end, Curb; left tackle, Co-Captain Johnny Thomas; left guard, Beryl Clinton; center, Leo Steinkoenig; right guard, O. C. Rampley; right tackle, James Love; right end, Buford Ehler.

At Last—a Backfield

Backfield combinations, changed in kaleidoscopic fashion for two weeks, crystallized in a game-length scrimmage Saturday. Big Curtis Kelley banged his way to a starting job at fullback. He is a line backer and a fair passer. At quarterback will be Duncan Kirkpatrick. He started this season at guard. At left half will be Co-Captain Joe Forbus, a guard who has become a

W. T.'s New Coaches

Two coaches with exceptional records; their names are W. W. (Windy) Nicklaus and W. A. (Gus) Miller. Coach Miller is acting athletic director and head coach. He came up from Texas Wesleyan of Fort Worth. Assistant Coach Nicklaus coached at Amarillo College, Altus, Okla. Junior College, Oklahoma Baptist University, and Borger High. He starred at Amarillo High and was Texas Tech's first football captain. Miller played for W. T., where oldtimers vividly recall his prowess. . . . Coach Al Baggett is now Captain E. Al Baggett of the U. S. Army Air Corps and Coach Leslie Van Meter is a swimming instructor with the same outfit at Miami Beach, Fla.

raging line cracker. He also will pass and kick a bit. The other halfback will likely be J. P. McMahon, a rugged speedster. This backfield is potentially one of the best ever seen here, but it needs half a season to learn new assignments and develop its talents.

Saturday's scrimmage turned the spotlight on Ed Castleberry, who will see lots of action at quarterback; big Charles Vick of Amarillo, 200 pound end; and Don Anderson, a good prospect at end. Don is a brother of J. W., regular signal caller who is out with a shoulder injury. Walter Word, letterman end, also is out of action recuperating from a leg bruise.

Freshmen Look Good

Tough little Rufus Bradford of Borger, a freshman, appears to be a possibility as a tailback. The Hedges twins of Olton have shown flashes of brilliance but they lack the experience needed for conference play. Recovery of Leroy Reeves of Childress, frosh triple-threatener, would add needed deception to the Buffs attack. He has a shoulder injury. C. M. Teague, tackle, and Roy Schultz, tackle, are among the important reserves.

Saturday's intra-squad lineup was as follows:

WHITES—Left end, Curb; left tackle, Love; left guard, Rampley; center, Steinkoenig; right guard, Clinton; right tackle, Thomas; right end, Ehler; quarterback, Kirkpatrick; right halfback, McMahon; left halfback, Castleberry; fullback, Willard Hedges.

MAROONS—Left end, Vick; left tackle, Teague; left guard, C. Schultz; center, White; right guard, Williams; right tackle, R. Schultz; right end, D. Anderson; quarter-

back, Jeeter; left halfback, Bradford; right halfback, Willis Hedges; fullback, C. Kelley.

Game-Length Scrimmage

The Maroons, aided by fumbles of the Whites, scored first in the initial quarter when Kelley passed to Vick for a touchdown. The Whites fought their way back into the game when Castleberry made a 65-yard run to score and Thomas converted. McMahon made it 13-6 for the White on a 21-yard run and Ehler, intercepting a pass, dashed 70 yards to run the score to 20-6 at half-time.

There was no scoring in the third quarter. In the last quarter, Bill Jeeter, sophomore ineligible, intercepted a pass and ran 85 yards to make the final score 20-12 for the Whites. Much of the game was spiritedly fought, and the marks of conflict were on many players at the end.

Tech Is Boasting

While Texas Tech has lost fifteen men from last year's lettermen, the Raiders have six seniors, nine juniors, and ten sophomores who are considered so outstanding that a powerful team is ready. Only optimism comes from Lubbock.

West Texas State's chances against Tech Saturday are those of a scrapping underdog. Rivalry between the two squads is so intense that no empty minutes are expected. It is the first game of the season for both teams. The Buffs have a slogan:

THEY CAN BE BEATEN! BEAT TECH!

Johnson Items

Leonard Bauer left Tuesday for the induction center at Lubbock. The children of the community began school at W. T. this week.

Business callers in Amarillo Monday were Mr. and Mrs. E. J. Bauer and J. J. Bauer accompanied by Mr. and Mrs. Roy Stockett of Tulsa.

Rev. and Mrs. E. C. Moehring and children of Lockney, Mr. and Mrs. F. H. Bauer and J. J. Bauer were Sunday supper guests in the I. L. Bauer home.

Mr. and Mrs. Philip Rickwartz and daughters of Arney spent Sunday and Monday in the parental C. W. Bauer home.

Mr. and Mrs. F. H. Bauer, J. J. Bauer, Mrs. L. F. Spiser and Mabel were among those spending Saturday in Amarillo on business.

Casey: "It's an elegant time I had Saturday night, but the devil a bit of it I can remember after midnight."

O'Brien: "How do you know you had a good time, then?"

Casey: "Sure, and I heard the officer telling the judge about it Monday morning."

The first thing that you should attend to is, to speak whatever language you do in its greatest purity, and according to the rules of grammar.—Lord Chesterfield.

"Git along little doggie...you're a Fraud"

SLEEPING DOGS MAY LIE, but so do some that stand upright. Yet one sniff satisfies Foxy that his little pal is a fake.

Too bad you can't just as readily smell quality in oil. Neither can you see it, feel it, or taste it. This doesn't mean that there's no way to spot the genuine article.

So here are facts to help you pick a quality oil: Phillips offers a number of oils because car owners' preferences vary almost as much as their cars and pocketbooks. But when you want our best oil, there's no need for doubt or question. Phillips speaks out plainly. Tells you frankly that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer to car-owners like yourself.

You can readily make sure of quality when you are replacing summer-worn lubricant with the correct winter grade, or when you are making the regular 1,000-mile change, by asking for Phillips 66 Motor Oil.

IT'S PHILLIPS FINEST QUALITY

Fairview Breezes

We enjoyed two good sermons delivered by Rev. Lloyd Garrison Sunday morning and night.

This vicinity was glad to receive about 1½ inches of rain Friday night.

Vesta Amerson visited Evelyn Schaeffer Sunday night.

Mr. and Mrs. Hollis Shipman and children were Sunday dinner guests in the L. H. Barnard home.

Mr. and Mrs. Edgar Washburn visited Sunday afternoon in the L. H. Barnard home.

Born to Mr. and Mrs. Albert Wesley, a daughter, Sept. 16.

Those calling in the Hollis Shipman home Sunday evening were Mr. and Mrs. T. H. Shipman, Mr. and Mrs. Comer Brown, Mr. and Mrs. G. E. Wesley.

The Fairview church called Rev. Lloyd Garrison for half time. He will be with us every first and third Sunday.

The Misses Leona and Geraldine Sharpes visited the paternal Sharpes home Sunday.

Myrtle and Florence Evans visited in the J. W. Wesley home Sunday.

Mrs. L. H. Barnard had the Centerville Club Friday afternoon with seven members and four visitors. An interesting discussion on care and habits of children was enjoyed by all present. Refreshments consisting of cheese sandwiches, angel food cake and iced tea were served to Mrs. C. M. Rogers, Miss Evelyn Schaeffer, visitors; Mrs. G. E. Wesley, Mrs. Hollis Shipman, Mrs. Dallas Zachry, Mrs. Wilson, Mrs. Sharpes, and the hostess.

Do your Shopping in Canyon!

Wayside Items

Sunday was Rev. Menefee's regular day.

Word has lately been received here of the death of Mrs. Hester Gillham some time ago near Greenville.

Mr. and Mrs. Guy Watson had the misfortune of getting their house struck by lightning, breaking window panes and knocking dishes out of shelves, ruined the radio and batteries to their 32-volt windcharger. No one was injured, but frightened.

W. I. Lane accompanied by M. L. McGehee and W. R. Franklin were Amarillo callers Friday.

W. H. and Henry Hamblen were Happy callers Saturday afternoon.

We have a new trustee. George Gillham moved out of the county, and Roy Dodson has been appointed to take his place.

Roy Franklin and family were guests in the W. R. Franklin home Sunday.

A good rain fell in our community Friday night. A cool norther blew up reminding us that winter is just around the corner.

A hint to canners. While the jars or cans are still hot, label them with wax crayola. When it's cold it will not rub off or smear.

Mrs. Lizzie Knox and family were week end guests in the Luther Aiken home.

Billy Washburn and family have moved near Claude and Billy is employed as a guard at the defense plant near there.

The thorns which I have reaped are of the tree I planted—they have torn me—and I bleed! I should have known what fruit would spring from such a seed.—George Gordon Byron.

Shall I tell you which is the one intolerable sort of slavery; the slavery over which the very gods weep? It is the slavery of the strong to the weak; of the great and noble-minded to the small and mean.—Thomas Carlyle.

I never saw the use of the sea. Many a sad heart it has caused, and many a sick stomach has it occasioned. The boldest sailor climbs on board with a heavy soul, and leaps on land with a light spirit.—Benjamin Disraeli.

College Hospital Is Established

President's Former Home
Now Health Center as
Dr. Neblett Volunteers

The war does many things . . . to many persons . . . and many things. Among the things affected is the College's student health program.

Dr. R. A. Neblett has volunteered for service with Uncle Sam's armed forces and expects to be sent abroad soon with a group of Texas physicians and nurses. Neblett hospital closed on an indefinite basis on September 1.

In meeting this "duration" emergency, West Texas State has closed the old Health Center (cheers) and has established a new setup in what formerly was the president's home, but recently the Campus Lodge. The two-story building is being furnished to house the Health Center, a portion of which will be the College Hospital.

Only minor emergency surgery will be available in the College Hospital. Major surgery will have to be done in nearby cities, in accordance with the student's wishes and arrangements. The usual 10-day hospitalization each semester will be available to students who need it. There will be no doctors' fees for ordinary College Hospital cases. However, no medicines and laboratory tests will be furnished without cost.

In general, the student health program is being continued as before, but in a new location. Some disadvantages of the wartime arrangement will be offset by the convenient location. Daily clinics will be continued with Miss Helen Hickman available following each of the two periods, for minor treatments. She will keep the Health Center open from 8:45 a. m. to 3 p. m. and will be available before and after these hours in emergencies.

Dr. R. P. Jarrett, Jr., will continue with the student health service as college physician.

The new plans were drawn by a committee headed by Prof. F. E. Savage and including Dr. A. M. Meyer and Mrs. Geraldine Green, who worked in consultation with Miss Hickman, the college nurse, and President J. A. Hill.

HEARS FROM HUSBAND

Mrs. J. D. Hunter has received a letter from her husband that he had arrived safely in Northern Ireland. He states that the people were very friendly to them.

A Free Press Must Be Preserved If Democracy Shall Survive in Our United States

A STUDY IN DARK AND LIGHT

—Drawn especially for EDITOR & PUBLISHER by Bruce Russell, Los Angeles Times.

Headlines You'll Never Read in a Free Press

Merchants Barred From Advertising

Suppose you read that headline in this newspaper today. Would you shrug your shoulders, remark "it's tough on the paper" and go about your business?

More than likely you wouldn't. Such a headline would be the fore-runner of some unwelcome changes in your way of life.

It would mean that freedom of the press had vanished, that other freedoms were on the way out, too, because this newspaper could no longer keep you alert to still more assaults upon your liberties.

Under a dictatorship there would be no advertising as you have come to know and to accept advertising today. Gone would be your RIGHT to read what you please and your freedom of CHOICE in the things you buy.

Gone, too, would be many economies you've taken for granted because advertising has speeded distribution and lowered price. Your standard of living would suffer. Jobs would be in jeopardy as demand for goods slackened.

This week, Newspaper Week, is a good time for some serious thinking.

This newspaper and its readers, its advertisers and their customers, are in a sort of partnership; a partnership to keep your newspaper free.

For if the press is free you won't have to worry very much about your other freedoms.

Headlines You'll Never Read in a Free Press

State Confiscates Church Property

That's a headline that wouldn't make pleasant reading in this country, any more than it has in some other nations. The right to attend church, to worship as we see fit, is a right of first importance.

Suppose, next Sunday, instead of going to church you were required to hear the voice of a dictator telling you that all your old ideas of right and wrong were based on fairy tales.

Suppose your favorite clergyman was held in a concentration camp because his views differed from those of the dictator.

You adults, brought up with the fear of God in your hearts, might see your children learning allegiance to a new god, a false god.

Freedom of worship would be gone. But before that, another freedom would have vanished—the freedom of the press.

It isn't a pretty picture. But it has happened.

To say that all freedoms are closely related to or dependent upon the freedom of the press is not offered in boastful spirit.

This newspaper sees this fact as a solemn responsibility, conscious that it must always be first on the firing line against any assault upon the American way of life.

This week, Newspaper Week, we remind you readers that you're in a partnership with us to protect ALL freedom.

Headlines You'll Never Read in a Free Press

Libraries Ordered To Burn All Books

Suppose you were commanded to buy and read certain books and were warned that it would be treasonable to read any others.

You wouldn't like it, of course.

"Going to the library" is a well-established American custom. Freedom to choose the kind of books you WANT to read is a strongly entrenched habit.

You have your favorite authors. Reading their books has been an important part of your life. Books have broadened your thinking, added to your knowledge. And they've brought you pure pleasure and entertainment.

At the book stores you select from thousands of copies. Suppose, instead, your choice was limited to a few volumes authored by a dictator. You'd lose much of the joy of life.

A freedom would be gone. Another freedom would have gone earlier—the freedom of the press, under which no dictator could operate with success.

This is Newspaper Week, a good week to reflect upon YOUR responsibility, your PARTNERSHIP with this newspaper in the never-ending defenses of ALL freedoms.

Because so long as the press is free, so long will you enjoy your other freedoms.

Headlines You'll Never Read in a Free Press

Service Clubs Ruled Illegal

Service clubs, social clubs . . . clubs of various kinds are definitely a part of your way of life. Their members have made splendid contributions to community welfare, to national progress and to their own individual development.

It would never occur to us that the state might consider them inimical to its welfare. But then we aren't living under a dictator.

A dictator might consider our clubs a threat because they have "old-fashioned" ideas about honesty, integrity and chivalry.

Dictators don't encourage personal progress, all efforts being subordinate to the good of the state.

On that basis service clubs might have to go and we would lose another freedom. But before that, another freedom would have gone—the freedom of the press.

When the press is stifled, other rights vanish one by one.

This week, Newspaper Week, give a thought to your relationship to this newspaper.

You're in a partnership with us; a partnership to maintain the American way of life by preserving a free press and thus defending all other freedoms as well.

Headlines You'll Never Read in a Free Press

Children Ordered To Spy On Parents

Not a pleasant headline, is it? Certainly YOU wouldn't want to be betrayed by your own children. But it has happened under a dictator.

Vital to the American way of life, essential to the strength of this nation, is the American family. To keep out suspicion and distrust, to encourage respect for the rights of other members . . . in this way the family unit is made strong. And so it contributes its spirit of unity to the nation.

Suppose you lived under a dictator. Suppose YOUR children were so completely under his domination that their duty to him seemed in their minds, far more important than the loyalty and respect due you as a parent.

If that time comes, a freedom will have gone. And another freedom will have gone before it—the freedom of the press.

And that's why this week, Newspaper Week, is a good time to analyze your relationship to this newspaper. You and your newspaper are in a partnership.

You are in a partnership with this newspaper to preserve the freedom of the press.

Not merely because you've acquired the pleasant and incurable habit of wanting to read your newspaper regularly, but because by keeping this newspaper free you safeguard other freedoms, too.

Headlines You'll Never Read in a Free Press

Election Rallies Banned By State

Whether the candidate is a pound-master or a national president you want the right to "button-hole" your friends in his behalf.

You want the right to attend election rallies, to hear any and all candidates, to applaud them or heckle them, to read their statements and political advertisements in your newspaper.

But suppose, under a dictator, the political field was limited to the dictator's choice. Suppose the dictator's armed stooges stood guard at your polling place.

Just to make sure you put the "X" in the right spot.

Well, it wouldn't do you any good to talk about rights. You couldn't "write a letter to the editor" because it wouldn't be printed in a dictator-dominated press.

No, another freedom would be gone because another freedom had gone before—the freedom of the press. When that freedom goes, the others aren't far behind.

Newspaper Week ends October 8, but that doesn't mean that YOUR responsibility ends.

Nor does it mean that your newspaper will be less alert to any assault upon your liberties.

Your responsibility makes you a partner of this newspaper in the defense of ALL freedoms.

THINK

Supposing There Wasn't Any Newspaper In Canyon

TO THE SCHOOLS—

Who would publish the volumes of school items which are important to us, but would be drab and uninteresting to others outside the community.

Who would advance and discuss school problems only of interest to the people of the Canyon community?

TO THE CHURCHES—

Who would publish the weekly church notices and numberless church articles only of local interest?

TO CLUBS AND SOCIETIES—

Who would publish accounts of these meetings which are so necessary to maintain interest and good will?

TO THE ADVERTISERS—

Who would advertise the products you have to sell and the services you have to promote? Others have tried to get away without advertising and eventually found the sheriff waiting at the door. Yes, you could use other methods of advertising; but you will find none so effective, because there's no other advertising medium which your potential customers receive because they want it and pay for it.

TO THE TAXPAYERS—

Where else can you keep in touch with expenditures of your money, being made by the county, town and school districts? Of course, the law provides for posting of notices giving certain of these facts in towns where no newspaper is published; but how many of you would find time to go to a bulletin board to read them?

TO THE READERS—

It is to you the paper means most of all. Where else could you get the full picture of your community life—our joys, our sorrows, our activities, our progress, our pleasures, our social and religious life?

There is nothing to take the place of your Home Town Newspaper

In Canyon and Randall County It Is—

The Canyon News

We Shall Keep Faith

The Canyon News dedicates itself anew to the Holy Mission of preserving our Democracy, and to the maintenance of those high principles for which our forefathers fought, and our boys today are fighting in every land on the face of the globe----a Free Country when they return home.

'til Johnny Comes Marching Home

Outstanding Weekly Newspaper In Texas

The Canyon News is happy to have been awarded the Dallas News trophy as the outstanding weekly newspaper in Texas for 1942.

Throughout its 46 years, the Canyon News has been dedicated to the high ideals of journalism, with a view of making Randall county a better place in which to live. Since The News came under the present management 33 years ago, this newspaper has grown with the community and has attempted to exert a greater influence for the development of the better things of life.

On this 3rd Annual Newspaper Week, The News renews its pledge to the city of Canyon and county of Randall. It dedicates its efforts to the more than 400 young men who are now in the armed services. Those of us who remain at home have a holy obligation of preserving for these young men this fine community. When this war is over and they shall return to renew their places in the community, we must not have failed in having preserved those institutions for which they are fighting.

We shall keep our obligations and be true to this trust.

Trophy awarded for the outstanding newspaper in Texas.

The Canyon News

Throw Your Scrap into the Fight

Uncle Sam's war factories need your help to keep up full-blast production! Our all-out war effort is demanding millions of tons of scrap metals and other materials to keep our war machine running. Why? Because roughly fifty per cent of scrap iron and steel is required to make the steel that goes into every tank and gun for our armed forces! That's why scrap collection is a vital national necessity—and you can help make the scrap drive a resounding success! This page has been sponsored by the Canyon News as a public service. Read it . . . it contains the information you want to know so that you can do your part in the salvage program.

Your Part In This Campaign

WHAT IS NEEDED!

Scrap iron and steel, other metals, scrap rubber, collapsible tin tubes, waste cooking fats, old manila rope, burlap is needed and must be collected in every part of the country. That means your old appliances, plumbing pipe, ash cans and many other un-serviceable metal items plus old hot water bottles, garden hose, tires, boots, rags, cast-off clothing can be turned into guns, planes, tanks, ships and dozens of other vital war items if you'll "put them in production." Go over your house and yard with a fine tooth comb . . . get your scrap into the fight!

WHY IT'S NEEDED!

The facts are simple! Scrap iron and steel is vital to the production of new steel articles. Scrap rubber can be reprocessed into new articles to aid the war effort! Other scrap materials are similarly used and also help meet the needs arising from the stoppage of imports due to the war. For example, America can no longer import rubber from Malaya, hemp from Manila . . . the fabulous imports from the Dutch Indies are temporarily beyond our grasp. But all of these things are vital to our war effort, so everyone from the President down, must save, salvage and turn in all of the scrap he possibly can!

WHERE TO TAKE IT!

It's easy to dispose of scrap . . . simply sort your collection into piles . . . metals in one, tin in another . . . rubber in another . . . and then do one of three things: 1. Take it to an authorized junk dealer and sell your scrap at prevailing prices; or 2. Take it to the local salvage depot at the Consumers Fuel Association, Inc. west of the depot, where it will be sold and the proceeds given to the Red Cross. 3. Put it in front of your house for the school collection. Call your Salvage Committee Chairman, Judge A. H. Hunt, phone 50, for further information.

ONLY A FREE PRESS CAN PREVENT

THE PEOPLE'S
SERVANTS

FROM BECOMING THE
PEOPLE'S MASTERS

Every elected official who does our work, whether in Washington, the state capitol, the county seat or our city hall, is a public servant. He exists to carry out the people's orders. He will remain a public servant only as long as his every public word and deed is under the constant scrutiny of the people who elected him.

That is why the newspaper's principal duty is to tell you what is going on in your seats of government. For the moment the vigilance of the people relaxes, the instant they cease to be informed, abuses and excesses begin . . . inevitably.

That is why the first thing every dictator does upon gaining power by constitutional means is systematically to throttle the newspapers. He cannot afford to let people read, think and say what they please. He must mold public opinion. And the press must be made to do his bidding.

Every thinking American knows this, of course. Every American knows that the rights and liberties he enjoys here are possible only because he would instantly know of any abuse of public trust through the columns of his local newspaper.

Few of our public officials are perfect. They are only human. But most of them work conscientiously in the public welfare. Some of them might like to be rascals or even tyrants but, like the small boy who'd rob the fruit stand if only the cop wasn't standing on the corner, they seldom get the chance as long as a free press is on the job. And then never for long.

News of priorities, freezings, and shortages due to the war effort is causing some business people to think, "We have nothing to advertise." Because of our interest in the welfare of the businesses and services of Canyon, we say:

THERE'S PLENTY TO ADVERTISE

"Good advertising is more than the selling of immediate supplies of merchandise," said a recent editorial in the Detroit Free Press. "The history of advertising in the United States shows that it has been the major cause of the promotion of the things of life that we now consider essentials rather than luxuries. Canyon business firms should advertise weekly in The Canyon News—The Outstanding Weekly Newspaper of Texas.

Here's an Eight Point Program For Any Business In Canyon

1. Advertise Your Community

Many people cannot see the woods for the trees. And likewise many are so close to the advantages of the community that the good things we have are often lost sight of or forgotten. People of Canyon would do well to Advertise Canyon—to Canyon.

2. Advertise Your Institution

Your institution, whether it be a shop, office or store, has an individuality. It has a reason for existence. It is a reflection of the aims and thoughts of the owner or director. But, finally, it is of interest to Canyon. And because it is located in Canyon it should not be allowed to be taken for granted. Canyon institutions would do well to Advertise to Canyon—in Canyon.

3. Advertise Substitute Items

The true test of American ingenuity is the ability of Americans to adapt themselves quickly to changing conditions. Citizens of Canyon, knowing that all items are not obtainable at this time will be interested in substitute items which will fill their needs. It would be well to advertise to them what items ARE available in Canyon.

4. Advertise Fuller Usage of Products You Handle

One of the fundamentals of effective advertising is the interpreting of an article or service in forms of the USE to the consumer. The advertising of more uses of an article or better use and care of it can win (and is winning in the case of the automobile) an abundance of good will for the advertiser. People of Canyon appreciate this kind of advertising, too.

5. Advertise Locally Your Government's War Efforts

Canyon is still part of the U. S. A. Like thousands of other communities it is a part of the United Nations. Our citizens—every one of them—want to do their part in the way of co-operation with the government's war effort. They can learn their part by interpretation of the government's effort in terms of local participation.

6. Advertise and Help Sell Stamps and Bonds

For a community of its size Canyon is buying many stamps and bonds. But it is the extra effort that wins in any contest or war. More bonds MUST be bought and people of Canyon will buy them if they are urged to do so. Advertise and help to sell MORE bonds.

7. Advertise and Sell Public Morale

"The unparalleled ability of American advertising to inform and persuade is one of the greatest assets of this country in time of war as in time of peace," says the Advertising Federation of America. "Its force is urgently needed in this time of peril!" Building public morale by offsetting harmful rumors, and keeping alive the "confidence in our armed forces" and our ultimate victory is a job to be done in every community—Canyon included!

8. Advertise to Protect American Living Standard

By creating the desire for things in mass quantities, advertising has created the modern great factories, the high wages, shorter hours and better working conditions of the American people. By keeping alive the desire for things in Canyon and from Canyon the high standard of American living can be maintained—in Canyon.

Roosevelt Urges Advertising

President Roosevelt has said that "the desire for liberty and freedom can be strengthened by reiteration of their benefits" through advertising.

In a message to the 38th annual convention of the Advertising Federation of America, the President said:

"It is obvious that there are many changes going on in your field. For the duration there will be a diminution in product advertising, but this does not mean an end of advertising.

"There are many messages which should be given the public through the use of advertising space. The desire for liberty and freedom can be strengthened by reiteration of their benefits.

"If the members of your organization will, wherever possible, assist in the war program and continue the splendid spirit of cooperation which they have shown during the past year, advertising will have a worthwhile and patriotic place in the nation's total war effort."

Let's learn a lesson from the business men of Canada. After two and a half years in the war, their advertising (instead of diminishing) is increasing. They have discovered that they had their GOOD WILL to MAINTAIN with their customers, and a PATRIOTIC CAUSE TO SELL. They are explaining to the public their problems, and are telling them why they cannot furnish some products which wartime demands have curtailed. Serving a two-fold purpose, they are investing in the future of their country. Men of high vision can understand why this is sound business and splendid patriotism.

REMEMBER: "There Should Be NO BLACKOUT In Advertising"

A FREE PEOPLE---A FREE PRESS

THE AMERICAN PEOPLE ARE NOT DUMB

We Americans have never, in the dictionary sense, been dumb. We are extremely vocal. When we don't like something, we say so. We tell our neighbor; we wire our Congressman and; probably most significant, we write a letter to our newspaper—a good many million of us every year.

We are not dumb. We have never lost the use of our vocal chords. We know we're in the driver's seat, we know we run the country. We're awfully cranky and when something displeases us, we're quick to tell the world. That's why we get things done.

In the good old U. S. A. slang sense, we Americans aren't dumb either. We know that the right to express ourselves didn't just happen. It was fought for. It was paid for in tears and in blood and we have guarded it jealously through the years.

We are not dumb. We know that our precious freedoms and liberties, the right to think, vote, travel, earn and worship as we please, are safe only so long as we Americans are free to read, write and publish what we please, through our newspapers. We know that of all our freedoms, the freedom of the press is the most important. We know that it guards every other liberty and that without it we would live in darkness, a prey to any demagogue's whim.

We Americans are not dumb. As long as we value our rights and our liberties we shall steadfastly resist any attempt by private interests or public authority to encroach upon our free newspapers. For the right to read is the right to know—to be informed. Because all our other rights depend on it, it is the one right most worth defending.
